Matinée ensoleillée

Du soleil, de la clarté, de la joie ; c'est le  
matin d'un beau jour d'été - Le ciel est tout  
bleu ; les larmains tremblent indécis -  
Dans les prés, bleuets et coquelicots égayent les  
folles avaines et les grands blés murs qui frisonnent -  
Des cailles chantent gai dans les foins que l'on  
coupe ; très haut, vers le soleil, plane une alouette -  
Oh ! la folle gaieté de cette matinée d'été .

Nocturne

Le soir est venu, les chênes de la forêt s'agitent doucement. Calme, dans un brouillard rose, la lune se lève et monte lentement au ciel —

Là-bas, sur la route, du côté des bruyères des cors s'attristent et meurent, on entend à travers la nuit, le petit cri des crapauds au bord de l'étang.

Au loin, une cloche tinte sur le village qui s'endort. . . . .
